Sir,

Now that the old Sheshadri Road is taken up and its diversion forms part and parcel of the custom Park Road system, I have the honor to request that sanction may kindly be accorded for closing this Road to Cart traffic. The portion in front of the Hall --- must be taken up in order to permit the Garden work under execution by this office at the Statue site and its surroundings.

2. The Public Works Department cannot complete the diversion till we get rains and we will have to divert the traffic meanwhile along the road running North-east and South-west of the Sheshadri Memorial Hall. If carts were allowed on these roads they would be seriously damaged and since cart traffic should be kept permanently off the new Roads it is desirable to issue the orders now.

I have the honor to be,
Sir,
Your most obedient servant,

Economic Botanist,
Superintendent, Govt.Gardens.
